

US Army Heritage and Education Center (AHEC)
Attn: VES
950 Soldiers Drive, Carlisle Barracks, Pennsylvania 17013-5021

Internship Opportunities 2006-2007 Educational Programs, Grades 9-12 US Army Heritage & Education Center

Objectives: Gain practical experience in developing educational programming for public history sites.

Background: The U.S. Army Heritage & Education Center (AHEC) began developing the educational programming in 2005 to support secondary education and to promote visitation and usage of the Center. The Center encourages use of its collections for scholarly research, and supports student historical programs.

Internship Description:

Requirement: Develop age appropriate learning activities for high school visitors.

Support: AHEC will provide information on ongoing and future programs, existing lesson plans, and parameters for historical time periods to be addressed.

Product: Student will produce lesson plans for learning activities geared toward telling the Army story in the time periods indicated. Plans will include requirements for supplies and support materials, which AHEC will use to purchase the equipment. Lessons plans must conform to PA state standards.

Applicability: This internship is applicable for history or education majors.
